

## TakeOffTrip launches online Bus Booking and Train Services. New services intended to cater to the common man and demands

TakeOffTrip.com, one of the leading travel portals of India offering Air Travel and Hotel Booking services, has now launched two new features to benefit its users - online bus booking and train information.

TakeOffTrip started online bus booking service to provide consumers the convenience of booking a bus ticket over internet. This facility is intended to benefit the huge numbers of travelers for whom booking bus tickets is a time consuming task. With the online bus booking service offered on TakeOffTrip, one can easily book tickets from the comfort of their home or office.

TakeOffTrip emphathises with the needs and demands of bus travel for every Indian. It's this understanding that has led TakeOffTrip to tie-up with all major Bus Operators covering all major locations in India.

The Bus Services come with multi options, both on the comfort level and also on the budget level. TakeOffTrip ensures no traveler is left behind with its competitive and low cost rates. Group Bookings at best price are also available on TakeOffTrip.

Everyday Lakhs of Indians use then Indian Railways for their communications. The numbers are enormous and the demands ever increasing. Taking notice of the present scenario and the difficulties which travelers face while accessing train information, TakeOffTrip has launched train information services for the benefit of lakhs of travelers who travel in Indian Railways.

By availing this service one can know the trains between various destinations, PNR status of their ticket, and train routes of all the trains of Indian Railways. The information accessibility will be fast and feasible.

TakeOffTrip.com is complete travel solutions portal offering Air Travel and Hotel Booking services. It has partnered with travel leaders, and covers all major destinations of the world. Currently the hotel bookings service is limited to India, and the company plans to expand this service to all major destinations of the world.

TakeOffTrip also holds the distinction of being the exclusive Member Travel Portal for the AMPEE Perpetual Matching Rewards program (<http://www.ampee.com> ) With each purchase on TakeOffTrip, the buyer accumulates AMPEE points. At any time, AMPEE points can be redeemed on TakeOffTrip (or other AMPEE member portal- [www.prisb.com](http://www.prisb.com)) towards any purchase.
