

Funny Vinay Pathak and company are at it again!

Known for his brand of intelligent comedy, actor-producer Vinay Pathak is set to churn out another laughathon, 'Dasvidaniya', with his regular gang - Ranbir Shorey and Rajat Kapoor.

Vinay told IANS that the film written by Arshah Sayed would reveal the funnier side of everyday existence.

'It is about an ordinary man called Amar Kaul, who has high objectives in life. But as he cannot put the objectives in proper perspective, like most of us in real life, he falters at every step.

'The movie would take the audience on a roller-coaster comic ride with Amar,' he said.

One More Thought Entertainment, promoted by former aviation entrepreneur Parvez Damania and producer Azam Khan, is producing the film in association with Lemontea Productions floated by Vinay and Shashant Shah, who will direct it.

Besides Vinay, Rajat and Ranbir, the comedy will star Neha Dhupia, Saurabh Shukla, Gaurav Gera, Suchitra Pillai, Sarita Joshi and Suresh Menon.

Vinay and Ranbir have regularly been seen in movies and TV shows together and the two along with Rajat starred in the caustic but funny 'Bheja Fry'.

Immediately after announcing 'Dasvidaniya', the unit left for Bangkok for its first shooting schedule.

'We are producing 'Dasvidaniya' in association with Lemontea Productions because we have full faith in the brand of intelligent comedy that Vinay is known for,' said Khan, the CEO of One More Thought Entertainment.

Damaniya said the movie is a bitter-sweet situational comedy, 'brilliantly conceived by Vinay and Shashant'.

'The six movies we have launched so far are all content-driven. Our company's objective is to create a basket of assorted genres of movies meant to appeal to diverse sections of society,' he revealed.
