

Angelina and Brad honoured by Time magazine

Hollywood superstars Angelina Jolie and Brad Pitt have been honoured by Time magazine for their humanitarian efforts.

The actors have been hailed for using their celebrity status to turn attention to humanitarian needs across the world, reports intouchweekly.hollywood.com.

Time invited their friend George Clooney to write about them. In his article, he wrote: 'There are hundreds of people who could be honoured for their good work, but I've seen Brad and Angelina firsthand. Their commitment together is truly impressive.'
