

Hi-tech kiosk at Ahmedabad Collectorate

[Ahmedabad](#) citizens can now access revenue details with ease as a hi-tech information kiosk was inaugurated at the collectorate here Tuesday.

Voters can also cross-check their names, constituencies, details about their voting booths and their land documents registration certificates like those known as 7/12, 8-A and any information regarding Right to Information (RTI) proceedings or its disposal.

One can also access from the kiosk information about changes in the Revenue Act and the status of revenue cases.
