

Unity bags orders worth Rs. 223 crores

Unity Infraprojects Limited, one of India's largest civil contractors, has bagged two orders worth Rs. 223 crores. The company will be constructing Regulated Environmental Buildings at the prison complex, Mandoli, Delhi for an estimated amount of Rs. 154.29 crores. The work will be completed within 30 months.

In Pune, the Rs. 68.25 crore order received from Citi Corporation Limited is for the construction of RCC works at Amanora Park Town, Hadapsar, Pune and is to be completed with 15 months

The total unexecuted order book stands over Rs. 2700 Crores

'With the addition of these orders our pan national ability to work with Government sector and the private sector is further underlined. We will continue to provide our various clients with an experience that sets benchmarks for others.. We will continue to step up our pace and spread our operations further across the country,' said Mr. Abhijit Avarekar, Vice Chairman and Managing Director, Unity Infraprojects Limited.
