

Kutcher spent a whole decade sozzled

Actor Ashton Kutcher, who is married to Demi Moore, says he spent so long being drunk that he didn't have to research for his role in 'What Happens in Vegas'.

He believes he couldn't have asked for a better role.

TheSun.co.uk quoted him as saying: 'In one scene in the movie, my character got drunk and spiralled. I've had my entire '20s, well my early '20s, to really prepare for that scene. I have a lot of life experience to draw on for that kind of wild night. It was great fun.'
