

Skelta appoints Inspro as Value Added Reseller (VAR)

Skelta Software, a leader in BPM and Workflow solution recently announced a partnership with Inspro as their Value Added Reseller for the Asia Pacific market. Inspro Solution Limited provides an array of innovative solutions that enable their customers to maximize returns on investment

Speaking on this collaboration, Paritosh Shah Executive VP Strategic Partnerships, Skelta Software said 'This partnership is important on more than one count. It strengthens Skelta's presence in the Asia Pacific market and also allows us to leverage on Inspro's extensive experience and technology expertise to enhance the value of our offerings to this region'.
