

James McAvoy hates filming sex scenes

Actor James McAvoy, who has acted with the likes of Angelina Jolie and Keira Knightley, hates filming sex scenes.

TheSun.co.uk reports that he shares nothing more than a kiss in his latest movie 'Wanted' with Jolie.

He said: 'I don't really enjoy them. For one thing, you're not in love with the person. Hopefully, there's someone out there that you would rather be kissing. It just makes it all seem a bit strange.'
