

Indians' great escape

After two grinding back-to-back matches against hosts Pakistan and Bangladesh last week, Indian cricketers made a great escape to a retreat just outside Karachi to have some fun on a hot and humid day.

With two more Asia Cup games against Pakistan and Sri Lanka coming up on June 2 and 3, the Indians made the most of an outing to the Dreamworld resort, situated around 32 kilometres north of Pakistan's biggest city and commercial hub.

For skipper Mahendra Singh Dhoni, it was a perfect opportunity to sharpen his skills as a sharpshooter at the resort's shooting range.

His teammates were seen indulging in different activities, ranging from sliding in the pool to playing cricket even though most of them have been complaining of a tight international schedule.
