

YASH Technologies Awarded the Best IT Exporter for the Year 2007-2008

YASH Technologies, a global provider of enterprise business and technology solutions, has been awarded the 'Best Exporter of IT Products / Software by Madhya Pradesh Department of Information Technology for the year 2007-2008.' The Chief Minister of the state, Mr. Shivrajsingh Chouhan honored YASH at a grand ceremony held at [Bhopal](#) on June 6. The state IT Minister Mr. Kailash Vijayvargiya was also present for the ceremony.

YASH has Software Development facilities in Indore, Madhya Pradesh. Speaking for the occasion Mr. Manoj Baheti, The President and CEO of YASH Technologies said, 'We are honored to have been recognized for our contribution to the growing IT industry in the country and for the excellence in services provided to our esteemed customers globally. India is a country of focus for us in terms of the domestic business and customer mind-share. We are also increasing our investments in growing infrastructure to cater to our global offshore business.'

He added, 'We are thankful to the government of Madhya Pradesh for recognizing our commitment to the country and our perseverance in delivering business value to our global customers. I also want to thank everyone who is part of YASH for making this possible.'

YASH Technologies focuses on customer success. As a premier enterprise solutions and outsourcing partner for medium and large global customers, we leverage technology and our flexible delivery models to drive performance and business value throughout a customer's enterprise. YASH serves our customers and partners in the Americas, Europe, Middle East and Asia Pacific. In India, we have seen rapid growth and have opened additional development centers in [Mumbai](#) and Bangalore, to add to our existing development centers in Indore, Hyderabad, and Pune.
