

Salman Khan's Sikh look swept me off my feet: Preity Zinta

Bollywood actress Preity Zinta just can't stop raving about co-actor Salman Khan's Sikh look in their forthcoming release 'Heroes'.

'We have worked together earlier, but I had never complimented him before. But Salman's Sikh look swept me off my feet,' said Preity.

'This is the first time that my male co-star's looks made me go completely in awe of him. Salman plays a Punjabi in the film and every time I saw him in his get-up, I'd go - 'Wow! You look so good, Salman!' Preity added.

In the past, Salman and Preity have worked together in films like 'Har Dil Jo Pyar Karega', 'Chori Chori Chupke Chupke' and 'Jaan-e-mann' but most of them bombed at the box office.
