

AppLabs Named to Global Outsourcing 100 List of Best Outsourcing Service Providers

AppLabs, the world's largest independent testing, quality management and certification solutions company announced today that the company has been named to 'The Global Outsourcing 100' by the International Association of Outsourcing Professionals (IAOP) as one of 2009's best outsourcing service providers in the 'Leaders' category. The 2009 Global Outsourcing 100 and The World's Best Outsourcing Advisors recognizes the world's best outsourcing service providers and advisors. These rankings are based on applications received and evaluated by an independent judge's panel.

Commenting on the achievement, **Sashi Reddi, Founder and Chairman of AppLabs** said,

'AppLabs' end to end services portfolio in testing, quality management and certification and leadership position in testing services has helped being part of Global Outsourcing 100. This is a great achievement. This recognition not only reflects our commitment and dedication to our customers it further consolidates our leadership position within the testing space. In today's economic environment, where outsourcing is gaining increased importance, it is imperative that we continue to provide new, innovative, flexible solutions to meet our customer needs.'

*'At a time when companies that outsource are scrutinizing their suppliers more closely than ever to ensure they are delivering the high quality, value-added results being sought by customers, The Global Outsourcing 100 and The World's Best Outsourcing Advisors have become even more valuable reference tools for companies seeking to work with the best providers and advisors,' said **IAOP Chairman Michael Corbett**. 'The companies named on these lists and sub lists have demonstrated their expertise following a rigorous, independently judged process and represent the tops in the industry.'*

The Global Outsourcing 100 is a rigorously judged, independent ranking that serves as a benchmark to gauge the strength of the industry as a whole and its service providers. To make the list, companies must demonstrate excellence in categories such as size and growth, customer experience, depth and breadth of competencies, and management capabilities.
