

For NCP, it's Amisha Patel or Ajay Jadeja from Rajkot

The Nationalist Congress Party (NCP) has decided to field a celebrity from Rajkot in Gujarat and the toss-up is between former cricketer Ajay Jadeja or Bollywood actress Amisha Patel.

Confirming this, the NCP's Gujarat unit chief Jayant Patel said: 'Yes, it is true that we are going to field a celebrity from the Rajkot seat. The choice is between Ajay Jadeja or Amisha Patel. The central leadership in [New Delhi](#) will now decide who should be fielded from Rajkot.'

'Both Amisha Patel and Ajay Jadeja have their roots in Gujarat. The celebrity status and the popularity of the two well-known figures will help us win,' he said.

'We certainly are very keen to field another celebrity from the [Ahmedabad](#) (East) Lok Sabha seat as star value certainly works everywhere in the country. Now it is for the central leadership to decide who should be fielded from the seat,' Patel added.
