

Confluence of 3 Masterminds to Empower tomorrow's IITians

New Horizons India Limited today announced that one of its divisions named IIT Study Circle (IITSC) will offer coaching to IIT JEE aspirants in association with Vidyamandir Classes (VMC) and 100 Percentile. VMC will provide Learning support whereas 100 Percentile will provide Technology support to IITSC.

Because of the limited coaching seats offered by VMC, a very large number of students have to look out for options. This strategic tie up will help over 12000 IIT JEE aspirants to benefit from the best methodologies in IIT coaching in **Delhi, Hyderabad, Bangalore, Chandigarh and Ranchi.**

India has a total of 6992 seats available in IITs for which approx 3.9 lac students are expected to compete for year 2010. An additional 4 lac students are expected to compete for engineering entrance exams.

IITSC, a brand acquired by New Horizons India Limited, is one of the oldest names in IIT coaching with its own enviable track record. Now IITSC is launching IIT JEE coaching facilities in 5 cities with 1500 coaching seats to IIT aspirants bringing VMC's time tested methodology and process. IITSC is also entering into B2B tie ups with leading schools across India to provide coaching to 2000 students. Additional 8500 students are expected to be enrolled in the correspondence course. IITSC is further supported by 100 percentile to add technology based learning support facilities to all these students. IITSC has an exclusive mandate to promote and distribute correspondence course of VMC on pan India basis to help students who are unable to undertake the classroom coaching facilities of VMC/IITSC

VMC, known as gurukul for IIT JEE preparation, is undoubtedly one of the best names for IIT coaching in India for last 20 years. VMC has maintained a success rate of over 60% admission in IITs. Over two decades, VMC has developed a methodology and processes to best prepare aspirants for IIT admission test.

Mr. Ajay Kumar Sharma, President & CEO, New Horizons India Ltd said *'In recent times many students have been forced to live in cities like Delhi and Kota where quality IIT coaching is concentrated. By opening IITSC-VMC centres in other cities we will be helping many students the trouble of shifting to other cities and concentrate on their studies'*

Mr. Shyam Mohan Gupta, Director, Vidya Mandir Classes stated, *'Over these last few years, we have realised that there has been a distinct escalation in the number of students seeking our support in preparing for IIT entrance exams and we have been mulling over providing our expertise more extensively across the country. IITSC with its quality credentials and footprints across the country offered us that platform which we can leverage to achieve this.'*

IIT Study Circle will offer the following learning packages to students:

1. 2 Year Classroom Course for IITJEE 2011

â—| For students entering Class XI

2. 1 Year Classroom Course for IITJEE 2010

â—| For students entering or those completed Class XII

3. AIM IIT Foundation Course for IITJEE 2012 aspirants

â—| Foundation course for students in Class X

4. Correspondence Courses for IIT-JEE 2010, 2011

â—| Emphasis on self-study

5. Online support

â—| Online Assessments

â—| Chapter, Module and Cumulative tests

The students have to undergo an entrance exam to enrol them for the classroom coaching. The class room programme will be supported with an elaborate online programme as well. The correspondence course will offer the entire study material to students across the country and will also allow them access to online learning as well as assessments. The entire process of learning will be streamlined in such a fashion that across all the centres not only will the content of the learning be similar but also the grading and assessments, which will give the students a window to their progress which will be in consonance with competitive reality. Expressing his enthusiasm at joining IIT Study Circle as a learning partner

This association will be a culmination of the consistent efforts of IITSC to offer the best tools of learning which students seek to help them succeed at the IIT exams. The entrance exam for admission to the coaching centres will be announced later in the month, while the courses across these centres are expected to begin in the month of April 2009. For Delhi region VMC and IITSC will announce separate entrance exam and for rest of the country such exam will be common.
