

## 'Sanjay Dutt as daring as ever'

Bollywood actor Sanjay Dutt is going to complete three decades in the film industry but is still as daring as he was in his first film 'Rocky', says stunt director Allan Amin.

'Sanjay has a scene in 'Luck' where he will be running towards five fast moving trains. I have been working with him since his first film 'Rocky' and it's amazing how even today, he is as daring in nature as he was then,' Amin told IANS.

In 'Luck', which is an action adventure film directed by Soham Shah, Amin has choreographed jaw-dropping stunts for Imran Khan and debutante Shruthi Hassan as well. The film releases July 24.
