

## Prince Charles floors Shilpa with his charm

It was a meeting of Royals. Bollywood actress Shilpa Shetty along with her Rajasthan Royal Indian Premier League (IPL) team had tea with Prince Charles, who left them floored with his charm.

'I must say he (Prince Charles) still has such a sparkle in his eyes, so charming, he had a conversation with everyone in the room,' Shilpa posted on her blog [shilpashettylive.com](http://shilpashettylive.com).

'I complimented him on his charity work in India and the awareness he's spreading on issues pertaining to global warming. He said the Indian media should give it more attention,' she wrote.

The 34-year-old also posted that she will be in London for a few more days to shoot for the cover of a Fashion magazine in Central London.
