

## SatNav Introduces latest Bluetooth Enabled Multifunction PND

SatNav Technologies, *pioneers in GPS Navigation in India since 2005*, today added SatGuide PND Moov560, a wide screen Bluetooth enabled personal navigational device to its broad range of products and services. Installed with cutting edge technology, a 4.7-inch touch-screen for better user interface, digital entertainment features like video and audio player, turn-by-turn voice prompted directions make this multifunction gadget an ideal utility, navigation and entertainment accessory for your car.

Moov560 comes with preinstalled comprehensive SatGuide Maps that cover detailed road maps of 404 cities and more than 16 lakh destinations (points of interest). The consumers can also choose from maps covering over 250 provinces across US& Canada and 22 European countries from the range of SatGuide partner's International maps.

On the launch, Amit Prasad, Founder and Chief Executive Officer, SatNav Technologies said 'Moov560 offers the benefits of a widescreen personal navigation device making navigation both easy and entertaining, with videos, audios and also enabling hands-free communication in the car with this single device.'

Moov560 can be purchased online at [www.satguide.in](http://www.satguide.in) at INR 16,990 (Sixteen thousand nine hundred ninety only) and will soon be available across all SatGuide channels. Currently, as an inaugural offer, the device is available in a 'Celebrations' pack with host of freebies, a Nokia 2330 Bluetooth enabled phone, a DVD of recent hit movie 'New York' and a music CD Kambakth Hits along with 2 SD cards, all worth over Rs. 5,500, making it an ideal gift for all occasions.

Moov560 comes with upto 2 GB RAM and is complimented by the new **NavPix&trade;** photo navigation feature to provide an exhilarating experience to the users. When compared with the other PNDs in the market, the device has a faster GPS fix times with SiRFInstantFixII&trade; Technology and 20 channel receivers.

### **TECHNICAL PRODUCT SPECIFICATIONS**

#### **Hardware Specifications:**

CPU : Samsung 2450-400MHz  
GPS Chipset :20-channel SiRFstar III with InstantFixII  
Memory / ROM :Upto 2GB (64MB SDRAM)  
Memory Slot :SD/MMC (Compatible)  
Display Type :4.7" TFT w/touch-screen  
Display Resolution :480 x 272 pixels (WQVGA)  
Display Orientation :Landscape  
Battery Capacity :720mAH  
Battery Life :2.5hrs  
USB :Yes  
Speaker :Yes

Depth : 17.7 mm (0.9')

Width : 98 mm (5.1')

Height : 84 mm (3.0')

Weight : 145 g (5.11 oz)

**Software Specifications:**

Operating System : WinCE .NET 5.0

Navigation Software and Maps : SatGuide Maps Software 2009

Video Player : Included

Audio Player : Included

Calculator : Included
