

Lohan has crush on DiCaprio

Actress-singer Lindsay Lohan, who has an on-off lesbian relationship with DJ Samantha Ronson, reportedly has a crush on Hollywood star Leonardo DiCaprio as well.

'Lindsay has a major crush on Leonardo but that's as far as it goes right now,' contactmusic.com quoted a source as saying.

'She knows him, they are friends but that's it. Lindsay is ready to be more than friends with Leo but he doesn't see her that way. She says he's her perfect man but fears he doesn't take her seriously,' added the source.
