

## Diaz starrer 'The Box' panned by all

Hollywood actress Cameron Diaz's new film 'The Box' has been voted one of the worst movies of all time by moviegoers -- just days after its US release.

The thriller based on Richard Matheson's short story 'Button, Button', has not only been panned by film buffs, the officials from CinemaScore -- a market research firm that monitors fans reaction to movies -- gave it F rating, the lowest score possible, reports [contactmusic.com](http://contactmusic.com).

'People really thought this was a stinker,' said CinemaScore's head Ed Mintz.
