

## Is Meg Ryan dating Julian McMahon?

Hollywood actress Meg Ryan was spotted a couple of times enjoying romantic dinners with the Australian actor Julian McMahon, sparking rumours of their romance.

'The Sleepless in Seattle' actress had taken a break from romance following the end of her marriage to Dennis Quaid and split from Russell Crowe. She had then started to completely focus on raising son Jack Henry and adopted daughter Daisy, reports [contactmusic.com](http://contactmusic.com).

McMahon has been divorced twice and was recently linked to model Kelly Paniagua.
