

## Rupert Grint wants to be an ice-cream vendor

'Harry Potter' star Rupert 'Ron' Grint is serious about his sideline career as an ice-cream vendor.

The 18-year-old actor, who passed his driving test five months ago, immediately bought an ice-cream van and now wants to serve frosted goodies to his Potter co-stars, [contactmusic.com](http://contactmusic.com) reported.

He says: 'When I was younger I always wanted to be an ice-cream man. I've always had an interest in that sort of career. The van is fully stocked. I don't even serve yet because you have to get, like, a license, it's quite complicated. I just play the tune... It's meant to be quite a good business.'
