

## I'm dating someone: Timberlake

Justin Timberlake, who spoke for the first time about his love life and girlfriend on the 'Oprah Winfrey Show', reveals that he is dating someone.

Timberlake, who is currently linked to Jessica Biel, said: 'I'm dating someone.' Though he didn't reveal the name, the singer did say: 'But all I can tell you is that she smells lovely. I get pretty romantic around her.'

While touring he communicates with her through iChat webcam.

He said: 'Technology is a wonderful thing sometimes, I find that to be really cool, when you can actually see someone's face. I do it with my friends, as well, just to have a conversation back and forth. It just makes you feel closer, that's all.'

A friend close to Timberlake said: 'Justin's in love. He wants to be with her all the time. He's ready to be serious.'
