

Yuvi 'framed' at PCA stadium

Hard-hitting batsman Yuvraj Singh -- Yuvi to friends -- has been literally 'framed' by the Punjab Cricket Association (PCA) in its renovated pavilion block of the stadium here as tribute to the southpaw by his home side in domestic cricket.

The six sixes that the Chandigarh left-hander hit during the Twenty-20 World Championships in South Africa in September have been put on display in six separate photo frames by the PCA -- each picture showing a six that he hit against England fast bowler Chris Broad.
